LES ITALIENNES

Brand History

The LES ITALIENNES brand was born from the creativity of two sisters Stefania and Ilaria Dibari, united by a passion for creating original, refined and quality footwear made in Italy.

The love for design, the search for detail, the attention to materials are values inherited from the family company which has been operating in the footwear sector for over thirty years.

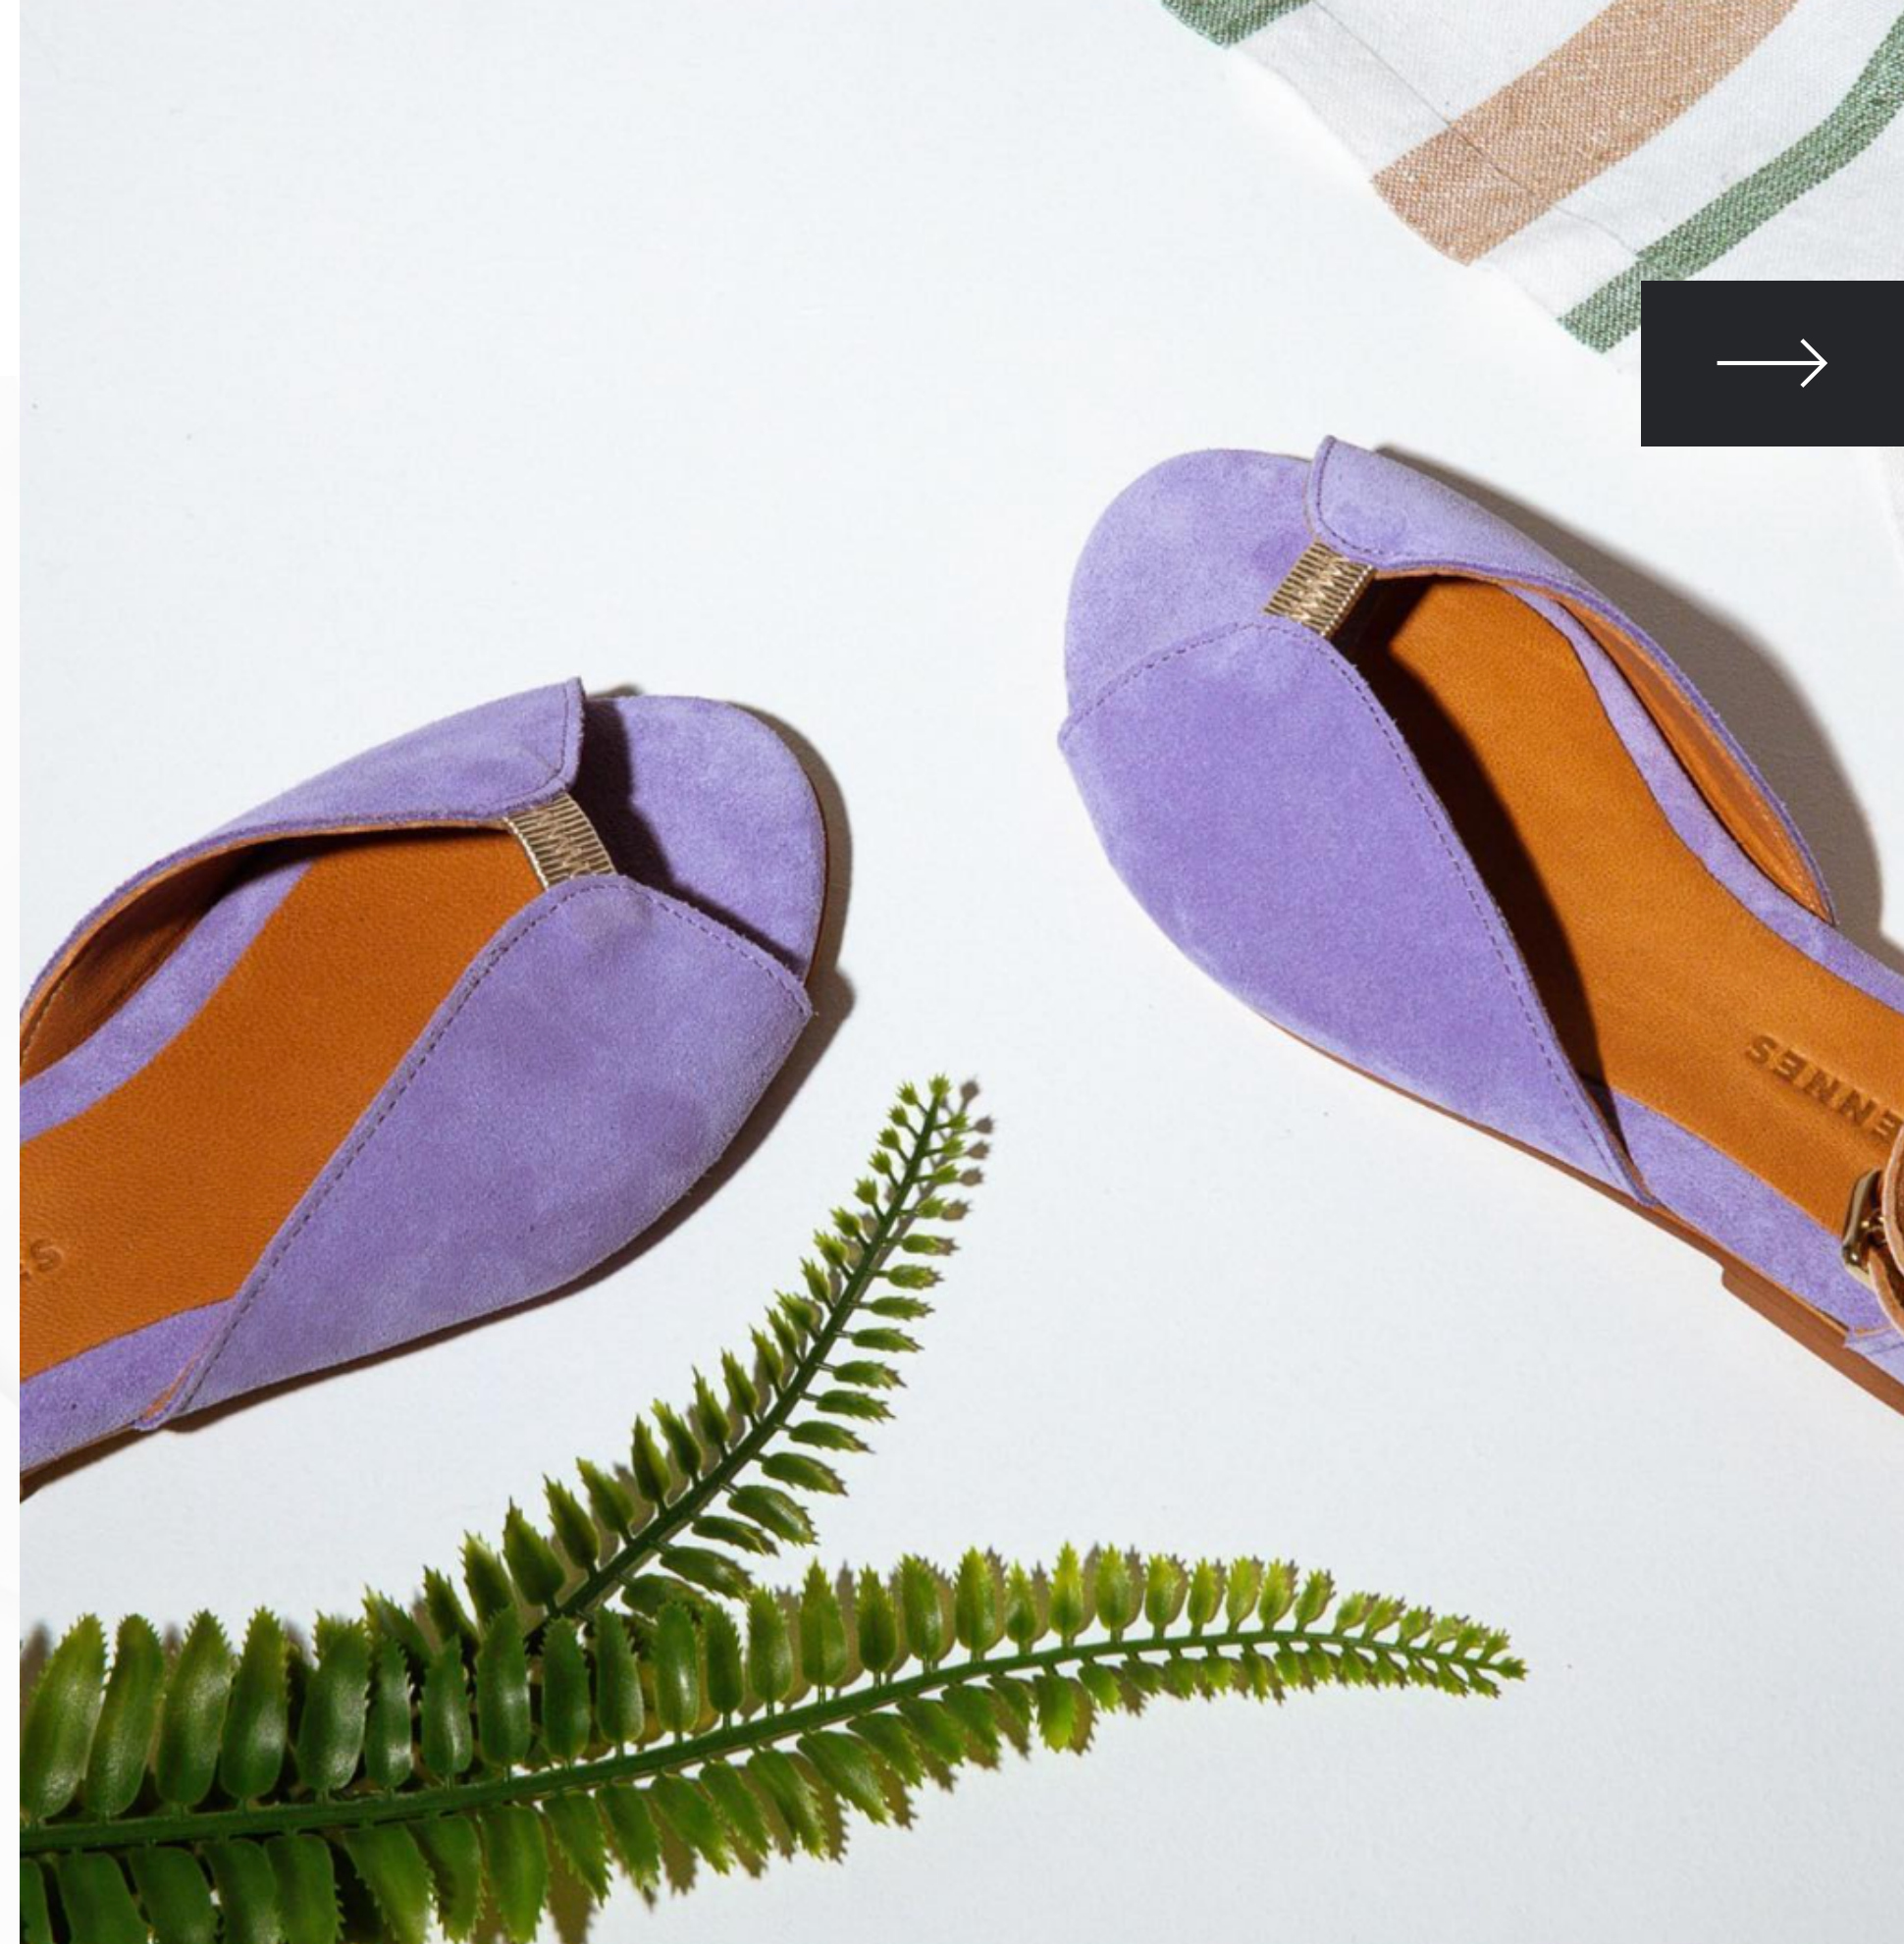

The bond with the family business, the experience acquired and the love for artisanal know-how pushes the two sisters to create a unique and tailor-made project.

LES ITALIENNES focuses on footwear in which quality materials are used exclusively MADE IN ITALY, they combine stylistic innovation and a taste for beauty.
